TRAGIC FATE OF CAMDEN BOY

A shocking tragedy in Camden Wednesday afternoon cost the life of one of the town's most popular young men.

Riding down Main street on his motorcycle, Robert A. Stevenson was in collision with a sedan driven by Donald S. Patton of Lincolnville, who is said to have turned left to enter Tannery lane. Young Stevenson was within a few yards of the oncoming motor car, and

his attempts to stop the motor cycle were futile to prevent the collision.

He was removed to the Camden Community Hospital in the fire department's ambulance, where he was attended by Drs. Mellington and Tounge, but died half an hour later from the effects of a fractured skull and internal injuries.

Medical Examiner Charles D. North was in attendance and the case was investigated by State Trooper Ray Foey.

The victim of the accident was 18 years old, a son of Mr. and Mrs. A. Burton Stevenson Jr., and a Senior in Camden High School. He was discharged last April from the U. S. Navy.

He is survived by his parents and a sister, Miss Helen Stevenson. County Attorney Stuart C. Burgess, after interviewing witnesses of the accident, has concluded to prefer no charges against Patton.

The traffic signals on Main and Park streets have been discontinued, having served their purpose during the Summer rush.

To New Trial?

Important Developments Expected in Atkins Case

Harry E. Wilbur, defense attorney for Arthur F. Willey in the recent Maybelle Atkins murder trial, revealed this morning that additional information has come to light which may lead to a new trial.

Wilbur stated that his lead came through his overhearing a conversation on two days after the end of the trial and the commitment of Willey to prison on a 10 to 20 year manslaughter charge, which implicated another person with the shooting with which Willey was charged and found guilty.

Wilbur stated to The Courier-Gazette this morning, a few minutes before press time, that he will bend every effort to run down the story and will move for a new trial if the evidence, as he now has it, bears up under continued investigation.

Rockland got its first view Wednesday of the P.B.Y. 5-A amphibian plane which has just been added to the imposing air fleet at the Ash Point station. It was included in the war surplus property, and was bought by the local corporation for use in the freight service between Rockland, the Maritime Provinces and Newfoundland. The huge plane has a wing spread of about 100 feet, comes close to seven tons, and has a cruising distance of 5000. Its gasoline capacity is 1700 gallons.

HELD FOR GRAND JURY

City Farm Superintendent Is Charged With Carelessly Shooting an Employee

Maurice Leonard, Marine Corps veteran and superintendent of the Rockland City Farm, was bound over to grand jury of the February term of Superior Court yesterday on charges of negligently and carelessly shooting and killing one Artemus Hendrickson, 46, while hunting on Nov. 12. Judge Dwinall set bail at \$2000 in the case.

According to Chief of Police Jesse Linscott and Patrolman Charles Simpson, who investigated the case and who testified yesterday, Mrs. Leonard called the police station Tuesday afternoon and announced that her husband had accidentally shot Artemus Hendrickson while hunting on the mountain back of the City Farm.

Patrolman Simpson testified that he found Leonard in the farm barn and confiscated the rifle which Leonard said he had been carrying at the time of the shooting. He stated that he and Leonard went to the scene of the shooting and found Hendrickson's body in an alder thicket and on the downhill side of a stone wall with a bullet hole through the right eye, the bullet having come out the back of his head, killing him instantly.

Chief Linscott and Sergeant James Breen investigated the case and took the body to the farm.

Witnesses described the clothing worn by Hendrickson as being a gray tweed cap, a faded red and black checked shirt, dark trousers and knee length boots.

According to the Chief and Simpson, the point where Leonard said he was standing when he fired was on a knoll and uphill from the point where the body was found and about 100 feet distant. Simpson testified that Leonard told him that he saw something move and that he could have sworn it was a deer and that after looking again, he fired.

Leonard entered a plea of "not guilty" through his attorney and stated that he could provide the bail required through two persons. Hendrickson, who had on at least one occasion in the past been sentenced to the City Farm from Municipal Court, was, at the time of shooting, an employee of Leonard and working there in exchange for his board and room.

Dr. Edwin Scarlott, who underwent an operation at the Osteopathic Hospital in Boston, is making excellent recovery. His local office will be closed for the balance of the present month. Mrs. Scarlott rejoins her husband at the weekend.

Family-sized turkeys (12 to 16 pounds) are going to be plentiful for Thanksgiving, and all they will cost, according to estimates, is from \$8 to \$9.50. But there are some of us who prefer chicken, regardless of financial restrictions.

Our item in Tuesday's edition concerning the Revolutionary War painting presented to "Montpelier" was read with gratification and interest, but probably with justified disgust by William A. Holman of Portland who presented it, instead of Dudley M. Holman, to whom the fine gilt was attributed.

Gordon Thompson of 43 Elm street, Schenectady, N. Y., sends me an interesting booklet entitled "National Baseball Hall of Fame and Museum, Cooperstown." It tells the story of how the national game got its start there, and contains portraits of men who earned a place in baseball's "Hall of Fame."

White Owls are popular with the local smoking fraternity, but the one which roosted in a South End tree Tuesday attracted more attention.

There's a man up in the town of Lincoln who attends every change of the local movies. His name is Warren Butler. As he is 103 years old he has probably seen quite a few performances.

Book Review

"The Miracle of the Bells," A novel, by Russell Janney. Published by Prentice-Hall, Inc., New York.

Everyone with an ear for beauty in sound, loves to listen to church bells as they spread melody through the air.

This is the story of a young girl with faith in the Divine Heavenly Father, also the story of a press agent, whose devotion to the memory of one he loved.

It is a remarkable chronicle of the transformation of a mining community from spiritual poverty to a wholesome and friendly brotherhood.

There are many characters in this novel which will cling to the

reader's memory with fervent pleasure.

A deep meaning is given to this story in the way the minds were opened to need of fellowship with God and humanity, and it came from the voice of the bells—what they called "the miracle of the Bells."

It is an excellent work of fiction by the most understanding of writers. No book of recent days has stirred hearts so much, since "The Robe," as this novel.

The Sleeper Bible Class meets Monday afternoon with Mrs. Hattie Keating.

A public card party, bridge whist or 63, will be held from 8 to 10 p. m. Nov. 25 at the H. H. School gymnasium under auspices of the Junior-Senior High School P.T.A. Women Of St. Peter's Church Score a Tremendous Success With Their Fair

"The Country Store," presented Wednesday at the Community Building, by the St. Peter's Women's Auxiliary, under the very able chairmanship of Mrs. Charles Livingston will take its place among the most notable social events of the season.

It was climaxed by the lobster salad supper, for which 200 tickets were sold, and which gave complete satisfaction to that number of hungry mortals. Mrs. Pauline Bartlett was the efficient supper chairman, Edgar Ulmer of Winsted, Conn., and South Thomaston, and Charlie Swett were the co-chefs, with the assistance of Nathan Farwell, Rudolph Gilley, David Soule and Charles Livingston. Mrs. Adelaide Adelman, as dining room hostess, brought professional experience.

During the supper hour corsages donated by the Clark and Silsby florists were sold at post-war prices by three charming young women, Jane Harvey, Ruth Roberts and Norene Banks.

In the absence of orchestral music somebody's parrot maintained a steady chatter.

In charge of the various booths were the following diligent workers:

Groceries—Mrs. Alice Soule, chairman.

Ice Cream Bar—Mrs. Alden Stanley, assisted by members of Young People's Fellowship.

POPULAR PASTOR RESIGNS

Members of the Congregational parish, and the many friends he has made outside of the church, learn with deep regret of his resignation as pastor.

The condition of his health is such that a change was compelled, and for the time being he will go to Jonesport to reside. "I have been very happy in my relations with the church and Rockland people," Mr. Parry told The Courier-Gazette. He has no thought of retiring from the ministry, but his return to the pulpit awaits improved health conditions.

His resignation takes effect Dec. 22.

the full treatment!...

It's not only wise, but it's downright important to give your car a complete pre-winter check-up and servicing. This past summer of unrationed driving has taken a lot out of it. Winter's almost here and winter, too, is hard on a car. Add the fact that you probably don't know yet just when you'll have a new car...and you see that proper care to save that car is an important "must" to see you through! See your neighborhood Esso Dealer now!

- ✓ UNEXCELLED ESSO MOTOR OIL. It's extra tough for engine protection...extra free-flowing for quick starts in cold weather!
- ✓ EXPERT CHASSIS LUBRICATION. You need fresh grease of the correct grade properly applied at every lubrication point from front to rear. Let your Esso Dealer do it now!
- ✓ BATTERY CHECK-UP. Cold weather starting calls for a full-powered battery! Don't let yours let you down. Now's the time to test and inspect it; recharge if needed!
- ✓ RADIATOR CARE. Radiator trouble can mean costly repairs. Be sure you have sufficient anti-freeze all winter...and an inspection for leaks or damage now.
- ✓ TIRE INSPECTION. Now's the sensible time to replace smooth ones with new, deep-tread ATLAS tires for safer winter driving. They're still short so act soon!

Winter Weather's on the Way!

Here Are Oldsmobile's Recommended COLD WEATHER SERVICES

CHECK COOLING SYSTEM—
The radiator and entire cooling system should be drained, flushed out and thoroughly inspected. Hose connections should be tightened where necessary.

SUFFICIENT ANTI-FREEZE—
Insufficient anti-freeze should be put in to protect your car from a damaging freeze in even the coldest weather that can be expected.

TUNE ENGINE—
Your motor should be put in shape to assure you of quick, easy starting, and economical performance no matter how low the thermometer goes.

CHANGE ENGINE OIL—
A lighter oil that will circulate freely at below-freezing temperatures is a necessity for easy starting and the prevention of excessive winter wear.

LUBRICATE CAR—
The entire chassis should be scientifically lubricated to prevent wear. The lubricants in standard transmission and differential should be changed to winter grade. Hydra-Matic Drive fluid need not be changed unless necessary.

CHECK ELECTRICAL SYSTEM—
There's a heavier load on battery, generator, starter and ignition system during cold weather. These should be inspected, put in good condition, and protected with a coating of PIB.

CHECK SAFETY FEATURES—
Brakes should be adjusted and put in top-notch condition. Windshield wipers should be checked. Heater and defroster connections should be inspected.

PROTECT FINISH—
Snow and ice and lead-clearing chemicals are tough on the finish of your car. A wash and polish, or a Liquid Glaze job—and touch-up treatment—will protect both paint and chrome.

If You Have a New Oldsmobile on the Way—

Materials shortages and unavoidable production delays are keeping our deliveries behind schedule. Better keep your present car up with regular service... until that style-leading new Oldsmobile arrives!

Court Adjourns

Large Amount Of Business—Sixty-Three Divorces Granted

The November term of Superior Court, adjourned Wednesday night by Associate Justice Arthur E. Sewall, saw more than the usual number of criminal cases and divorce libels handed.

The principal case of the session was that of Arthur F. Willey of Rockland who was charged with the murder of Mrs. Mabel Atkins of Rockland on the night of Oct. 9, and which resulted in his being sentenced to State Prison for a period of 10 to 20 years when found guilty of manslaughter. The case had been continued from Rockland Municipal Court where a Rockport woman and man brought the original charges.

Robert Dyer of Washington was sentenced to six months in jail on charges of cheating by selling short measures of wood. The case had been continued from Rockland Municipal Court where a Rockport woman and man brought the original charges.

Clayton G. Hook and Robert W. Bailey of Waldoboro were each fined \$100 and costs of court on charges involving criminal assault on two Rockland girls last summer. The case was continued from Rockland Municipal Court. Both pleaded guilty to the charges.

Leroy Clark, former Rockland resident and now a printer in Boston, was found guilty of non-support of his son. The mother testified that Clark left her on Christmas day of 1935 and that at times she and the child lacked proper clothing, food and medical care. He was fined \$500 and ordered to continue the sum of \$15 weekly to the support of the child from his \$75 to \$100 per week salary. Justice Sewall probated a one to two year prison sentence upon payment of the stated sum to the boys support weekly.

A wide difference of opinion on the weather on August 26, 1945, between witnesses appearing in behalf of Treston W. Bickford of Searsmont and State Police officers Henry G. Roper and George Lincoln resulted in a dismissal of charges of drunken driving against Bickford. The witnesses claimed it never rained any harder than it did that day and the State Troopers were equally emphatic that it was a bright, sunny day. The case had been appealed from Rockland Municipal Court. The State Troopers were alleged to have arrested Bickford shortly after an accident on Route 105 and testified that it was clear and sunny. Bickford's witnesses claimed the opposite.

Harold Bouchard of Oldtown and Russell Pickett, convicts serving time at the State Prison, found guilty of escape from the Prison, were sentenced to an additional one to two years.

John A. Tweedie paid costs of \$18 and was placed on probation for two years on charges of assault on a police officer.

Joseph Ragusso of Vinalhaven, in a case appealed from Municipal Court, paid a fine of \$100 and costs of court of \$17.49 when found guilty of the single sale of intoxicating liquor. The case originally investigated by Deputy Sheriff Ernest Gray, involved the sale of liquor to a minor on Vinalhaven.

An appealed case of J. Edward Sinnett on a Rockland traffic violation was filed upon payment of costs of \$2.00.

Charges of leaving the scene of an accident without making him known against Carl Brooks were filed upon payment of costs of \$14.30.

Nicholas Hakala of St. George was found guilty of drunken driving by jury trial and was fined \$100 and costs of court of \$61.82.

Kenneth Clark of Union was found guilty of assault and battery upon the person of Mrs. Della York of Rockland and sentenced to six months in jail. The sentence was made retroactive to June 8, the day on which he was committed to county jail to await trial in the term of court just ended. The case, originally heard in Municipal Court, carried an original charge of rape. At that time, Mrs. York appeared in court and recommended probation for Clark.

Charles Burns and Willard Carleton of Union, who had been bound over from Municipal Court on charges of theft of outboard motors from Summer cottages on the lakes near Union, were sentenced to the Men's Reformatory at Windham and placed on probation.

George W. Curtis of Rockland was sentenced to 10 months in jail on a charge of robbery from Vernon Shea of Thomaston. The case involved one Ruth Cox of Rockland as an accessory in a planned robbery of Shea in whose company Ruth Cox was on the night of the robbery. The original loss by Shea was in excess of \$400, the greater part of which was recovered by Rockland police. Evidence revealed that the Cox woman had met Shea in a Rockland bar room and had accompanied him to his home which Curtis later entered and beat up Shea, with the robbery following.

Ruth Cox was charged with being an accessory before the fact

This And That

By K. & F.

Before the war, Africa Java and the other far tropical East supplied this part of the world with most of its cocoa-bean. Wonder why South America isn't a good market?

If you are not a reader of the Bible you are missing the rarest pleasure and education. It is the word of power for a power age.

Teachers have a great responsibility in stressing high conduct in scholars at playtime as well as in the classroom hours. Some there are who take this duty seriously. All should.

Old Fashioned Pumpkin Pie
Three-quarters cup brown sugar,
1-2 teaspoon cinnamon (or more if

desired), 1 1/2 cups pumpkin, 1 1/2 cups rich milk or thin cream, 2 tablespoons melted butter, 1-2 teaspoon salt, 1-4 teaspoon ginger, 1-4 teaspoon nutmeg, 1-4 teaspoon of clove, 2 beaten eggs, unbaked pie shell.
Add all ingredients to pumpkin and mix well. Pour into unbaked pie shell and bake at 425 deg. F. until firm.

A fox and cat tale comes from Hancock Falls. A large fox entered the dooryard at the home of Gerard Graves, and was making off with a kitten when two cats jumped on the fox's back. The animal tried to shake them, but did not release the kitten. Mr. Graves came to the rescue, and shot the fox.

Frank Bonsey and his son Roland of Ellsworth recently found a carrier pigeon at their home. The bird was first seen on the top of the well-house, being cautiously stalked by the family cat. The bird flew to a safer perch on the barn from where it was taken by the Bonseys. Attached to its leg was a Naval message. Authorities were notified and the bird was returned to its service in the Coast Guard. The message indicated that the bird had been traveling for several days and was exhausted from fighting strong winds.

Youth For Christ Rally In Baptist Church

The Youth for Christ Rally to be held in the First Baptist Church, Saturday night is to have as speaker and soloist, Chaplain Donald C. Graham of the U. S. Army. Chaplain (Capt.) Graham served in the Pacific Theater in the northern and southern Philippines and later, in the occupation of Japan. He was in the 41st Infantry Division. More recently upon his return to the States he has been stationed at the Orlando Army Air Base and also at Fort Benning, Georgia. He comes to Rockland from a series of meetings now being held in Portland.

His subject will be, "What I Saw and Learned at Hiroshima." He was in the city several weeks after the first atomic bomb of modern warfare was dropped there. He will describe in this message the impressions he received from what he saw and from conversations he had with such persons as one of the leading doctors and richest men of that city. This will afford a remarkable illustration of one of the most impressive of Bible truths. Chaplain Graham is also an accomplished soloist, and will provide special musical numbers. Knox County Youth for Christ extends a cordial invitation for people of all ages to hear Chaplain Graham on Saturday night, at 7:30.

YES MAN

My name is John Sawyer. I'm the "Yes" man at Personal Finance Co. . . . that is — I'm the man who likes to say "Yes" to requests for Personal loans.

You see — I'm the manager of our office — the man who's responsible for building up our business. The more times I say "yes" to requests for loans — the more business we do. And since making Personal Loans of \$25 to \$250 or more is our ONLY business — that's mighty important to me.

Therefore, if you need extra cash at any time — whether a little for a short time or a lot for a long time — you can depend on my doing my best to say "yes" to you. There's a monthly charge of 2½% on a balance over \$150, and a 3% charge on \$150 or less. Small loan statute license No. 35.

Next time you can use a loan give me a chance to say "yes" won't you? I'll consider it a favor. See me at Personal Finance Co., 2nd Floor, Wotton Block, or phone me at Rockland 1132.
